MOTORVATOR®

A Proven Way to Increase Profits and Sales! Simplify Incentive Plans,
 Pep Up Sales Meetings, Increase F&I Income, Create Enthusiasm!

SYSTEMS FOR ANY SIZE DEALERSHIP

22 "INCENTIVE" PLANS

Since our system works on ego and pride motivation — we recommend no change in your pay plan. At time of delivery, our board expert will show you the 22 Incentive Plans along with pay plans that dealers are currently using in the event you would like to update your compensation schedule.

BUILT-IN D.O.C.

Comprehensive instructions come with your new "Motorvator" along with a year's supply of "Master Sales Control Sheets" and individual "Productivity" forms. In most cases, we greatly simplify your sales manager's records plus add to their effectiveness — he knows where he stands right up-to-the-minute.

"World's Finest Non-Monetary Method of Motivating Salesmen"

Make Your Next Sales Meeting A Real Sales Meeting—
 Computes exactly who your top salesmen are — takes everything into consideration — old unit sales, F&I income, volume and profit — plus a balanced sales job, etc. Main thing is that no one wants to be last — with this system everyone knows exactly who's sold what and for "how much" — and you do, TOO!

ALL SYSTEMS CUSTOM DESIGNED FOR YOUR DEALERSHIP!

stop theft

DON'T LOSE - USE McGARD WHEEL LOCKS

Save the wheels and tires of your new car inventory, and do it for pennies.

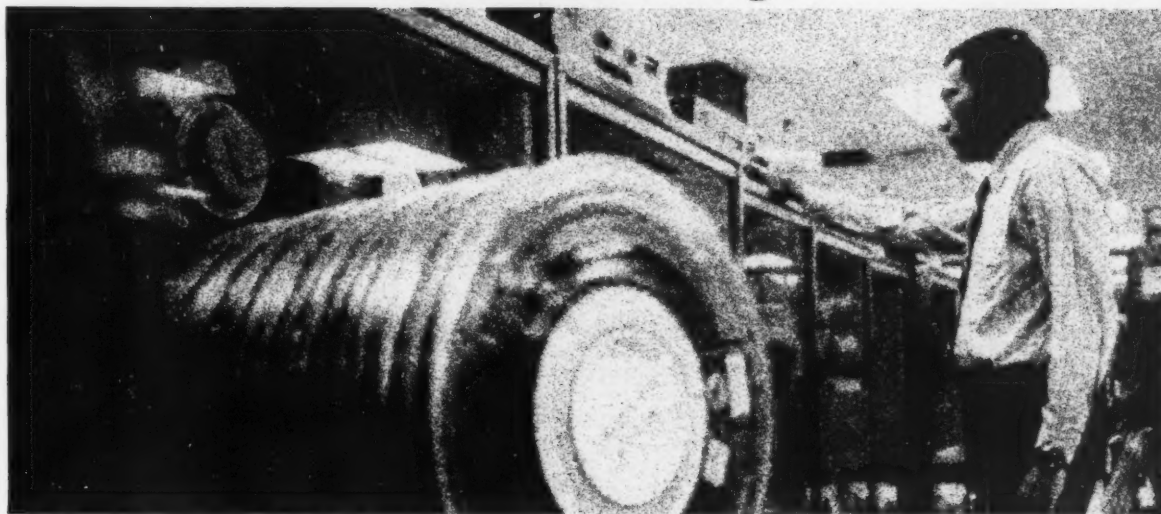

EASY INSTALLATION - Just remove one lug nut and replace it with a McGard lock. The lock is round and tapered so there is no way to grip it; not even pipe wrenches. The lock is hardened steel, so chisels won't bother it, and only the special matching adaptor will remove it.

**SOLD EXCLUSIVELY TO AUTO DEALERSHIPS
FOR OVER EIGHT YEARS**

How does NICS+CSI=ADP?

Beautifully.

One of us was always ADP (Automatic Data Processing). The others were NICS (National Inventory Control System), and CSI (Computer Systems, Inc.)

Now together as ADP Dealer Services, we provide computerized Accounting, Financial Reporting, Sales Analysis, Lease Accounting, Parts Inventory Control, Customer Relations, Management Systems for both Sales and Service, and Payroll Services...any or all of them...plus dealership-experienced service personnel.

Here's how your Dealership benefits:

- Most complete audit Accounting and Financial Control System available.
- Key management relieved of detail accounting responsibilities.
- Cost of your operation stabilized and often reduced.
- Greater control of investment in parts.
- Fewer out-of-stock situations for improved customer service.
- Fewer emergency purchases and lost discounts.
- Comprehensive automotive Lease Accounting/Unit analysis, and General Ledger always in balance.
- Increased vehicle sales and service revenues from vital customer information provided.

To know how ADP Dealer Services can help make your operation more profitable, mail the coupon. Or phone (503) 256-3111.
